

Mount Pleasant Primary School Council's visit to the Town Hall

On Tuesday 8th December, the School Council enjoyed an informative visit to the Town Hall to meet the Deputy Mayor Councillor Jim Dodds and Deputy Mayoress Mrs Carol Dodds.

During the visit, Laiba had the opportunity to dress in a replica of the Mayor's robes to assist in the explanation of their purpose.

The visit also included a tour of the Council Chamber, the Mayor's Parlour and Office, the Main Hall and the Ceremony Room. Many questions were asked by the children and much information was provided by the Deputy Mayor and his Bodyguard. This information has been fed back to classes to give them a background to our local Town Hall and the role of the Mayor. As a result of impressive behaviour and questioning by our children, they were all awarded the Kirklees Coat of Arms badge to wear with pride alongside their School Council badge.
