

Art & Design Curriculum

Art & Design National Curriculum

Early Years Framework		
<p>ELG: Fine Motor Skills</p> <p>Children at the expected level of development will:</p> <ul style="list-style-type: none"> • Use a range of small tools, including scissors, paint brushes and cutlery • Begin to show accuracy and care when drawing. 		<p>Expressive Arts and Design ELG: Creating with Materials</p> <p>Children at the expected level of development will:</p> <ul style="list-style-type: none"> • Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function • Share their creations, explaining the process they have used
National Curriculum		
<p>Key Stages</p>	<p>Key Stage 1</p> <p>Pupils should be taught:</p> <ul style="list-style-type: none"> • to use a range of materials creatively to design and make products • to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination • to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space • about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work. 	<p>Key Stage 2</p> <p>Pupils should be taught:</p> <ul style="list-style-type: none"> • to create sketch books to record their observations and use them to review and revisit ideas • to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay] • about great artists, architects and designers in history.

MPPS Art & Design Long Term Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Block A -Drawing Explore materials and tools for mark making.	Block C Printmaking Explore resist and relief block printing, negative stencils and clay printing blocks.	Block E- 3D Use natural and manmade materials Create plaster casts from clay Impressions.			
	Block B -Painting Explore mark making with paint, using primary colours.	Block D -Textiles Explore weaving with natural and man-made materials. Work with wax and oil crayon resist on fabric.	Block F - Collage Explore the visual and tactile qualities of objects Layer paper to build an image.			
Year 2				Block A -Drawing Evoke mood and represent movement through mark making.	Block C- Printmaking Create repeated patterns with positive and negative space. Print using natural objects as a stimulus.	Block E- 3D Take inspiration from the designs of indigenous art Create 3D sculptures using paper and cardboard.
				Block B -Painting Explore line, colour and shape, make own painting tools and develop colour mixing skills to include secondary colours.	Block D- Textiles and Collage Explore dip dye technique Use relief and block printing techniques on fabric. Create work focusing on pattern, line and colour using mixed-media.	Block F – Creative Response Drawing and Collage Combine drawing and collage to add detail and interest.
Year 3	Block A - Drawing and Painting Combine drawing and	Block C- Textiles and Collage	Block E - Painting Use a range of paint techniques to create			

	resist to explore colour, line and shape Create tints and learn painting techniques of tonking and sgraffito.	Explore pattern and colour combinations Use collograph and Plasticine blocks and tie dye Explore positive and negative space Explore line and shape and create paper collage.	backgrounds for effect.			
	Block B - Printmaking Create monoprints and explore mark making and pattern with printing tools.	Block D - 3D Create relief sculptures Use wire to make 3D insects.	Block F- Creative Response Painting and Printmaking Combine painting and printmaking techniques.			
Year 4				Block A - Drawing Create contour drawings using still life and natural forms as stimulus.	Block C - Printmaking and Textiles Create monoprint and press prints on fabric and make collages Create repeated patterns by flipping and rotating images Use tie dye, knotting and weaving techniques.	Block E - Painting Mix tints and tones to create an ombre effect with paint.
				Block B - Painting Learn about abstract art and develop colour mixing skills to include tertiary colours	Block D- 3D and Collage Create wire structures, focusing on line and form Combine 3D materials Combine a range of techniques such as overlapping and layering.	Block F - Creative Response Drawing and Textiles Refine previously taught drawing and sewing techniques.
Year 5	Block A- Drawing and Painting Learn about and use the technique of subtractive drawing.	Block C- Textiles and Collage Create three colour prints and combine printing techniques.	Block E - Painting Explore a range of effects which can be achieved using watercolour paint.			

	Use organic lines to create landscapes					
	Block B - Printmaking Create three colour prints and combine printing techniques.	Block D- 3D Create three colour prints and combine printing techniques.	Block F - Creative Response Printmaking and Textiles Combine printmaking and textiles to embellish fabric.			
Year 6				Block A - Drawing Combine techniques to create abstract images Learn about surrealism and portraiture.	Block C- Printmaking and Textiles Use perspective drawings as a starting point for textiles work Explore batik technique Draw and paint on fabric surfaces.	Block E- Painting Combine techniques to create the illusion of water and depth.
				Block B- Painting and Collage Create still life compositions by combining different media and in response to cubist work Adapt and refine ideas and techniques and respond to different styles of artists and art movements.	Block D - 3D Explore shape, form and colour and explore the effect of heat to create Chihuly-style 'glass' Explore combining techniques to create sculptures using mixed-media including recycled materials.	Block F - Creative Response Drawing and Textiles Combine drawing and batik to add detail.

Year 7 (at Moor end Academy)

The Elements of Art - The key elements of art; line, tone, texture, colour, form, pattern and space	Colour Theory Colour Wheel Shades/Tints Cubism movement with the introduction of portraits and how to draw using proportions
---	--

Content and Expectations: Block A and Block B

	Block A	Block B
Year 1	<p>Drawing</p> <p>Explore materials and tools for mark making Know marks can be made using a variety of drawing tools. Be able to select appropriate tools to make a range of marks.</p>	<p>Painting</p> <p>Explore mark making with paint, using primary colours. Know that paint can be used to create marks and know the names of the primary colours. Be able to make thick and thin marks and identify shades of primary colours.</p>
Year 2	<p>Drawing</p> <p>Evoke mood and represent movement through mark making. Know that the surface drawn on will create different effects. Be able to use a range of mark makers to create a variety of effects, depending on the surface they are placed on.</p>	<p>Painting</p> <p>Explore line, colour and shape, make own painting tools and develop colour mixing skills to include secondary colours. Know that colour and line can be used to show mood, movement and feelings. Be able to select colours and painting tools and make painted marks to express feelings.</p>
Year 3	<p>Drawing and Painting</p> <p>Combine drawing and resist to explore colour, line and shape. Create tints and learn painting techniques of tonking and sgraffito. Know that there are lines and patterns in natural objects and that a range of effects can be made with paint. Be able to identify lines and patterns in nature and use.</p>	<p>Printmaking</p> <p>Create monoprints and explore mark making and pattern with printing tools. Know how to use a printing slab and roller Know how to create different printing blocks.</p>
Year 4	<p>Drawing</p> <p>Create contour drawings using still life and natural forms as stimulus. Know what is meant by still life. Know how to identify details. Know how to use a viewfinder to create a focal point or an area of interest. Be able to assemble objects to create an interesting composition. Be able to use a viewfinder and use fine control to add detail.</p>	<p>Painting</p> <p>Learn about abstract art and develop colour mixing skills to include tertiary colours. Know similarities and differences between the work of two artists. Know that abstract art is more about the shapes, colours and feelings it expresses – it is not about it being a realistic depiction. Be able to make comparisons and form opinions. Be able to create an abstract painting of a natural object.</p>
Year 5	<p>Drawing and Painting</p> <p>Learn about and use the technique of subtractive drawing. Use organic lines to create landscapes. Know what is meant by ‘subtractive drawing’ and ‘abstract’.</p>	<p>Printmaking</p> <p>Create three colour prints and combine printing techniques. Know that reduction is a method of block printing where part of the block is removed and each colour is printed on top of the last.</p>

	<p>Know that lines can be used to suggest harmony. Be able to combine drawing techniques to achieve desired effects. Be able to transfer and enlarge an image and work in the style of an artist.</p>	<p>Be able to create reduction prints and explain and record the process.</p>
Year 6	<p>Drawing Combine techniques to create abstract images. Learn about surrealism and portraiture. Know about the different elements of art and design. Be able to work artistically using: shape, line, form, texture, colour, value and space.</p>	<p>Painting and Collage Create still life compositions by combining different media and in response to cubist work. Adapt and refine ideas and techniques and respond to different styles of artists and art movements Know that observation of still life can be responded to through a combination of different media and styles. Be able to create a still life using a variety of colours, textures and materials, including paint.</p>

Core Content and Expectations: Block C and Block D

	Block C	Block D
Year 1	<p>Printmaking Explore resist and relief block printing, negative stencils and clay printing blocks. Know prints can be made from ordinary objects. Know how to make and use a stencil and relief block. Be able to apply paint using controlled brushstrokes and stippling. Be able to combine printing techniques such as stencilling and relief printing.</p>	<p>Textiles Explore weaving with natural and man-made materials. Work with wax and oil crayon resist on fabric. Know mixed-media, including fabrics, yarn and beads, can be used to create artwork. Be able to combine a range of materials to produce textile art.</p>
Year 2	<p>Printmaking Create repeated patterns with positive and negative space. Print using natural objects as a stimulus. Know prints can be made from natural objects. Know how to make a collagraph printing block. Be able to create repeated patterns Be able to combine printing techniques.</p>	<p>Textiles & Collage Explore dip dye technique. Use relief and block printing techniques on fabric Create work focusing on pattern, line and colour using mixed-media. Know reconstructed paintings are made using images (and materials) that were originally part of something else. Be able to select appropriate pre-used images, colours and textures to create a new picture.</p>
Year 3	<p>Textiles & Collage</p>	<p>3D Create relief sculptures</p>

	<p>Explore pattern and colour combinations Use collograph and Plasticine blocks and tie dye.</p> <p>Explore positive and negative space.</p> <p>Explore line and shape and create paper collage.</p> <p>Know a mandala means circle in Sanskrit.</p> <p>Know mandalas are designs used in Hinduism and Buddhism Know quilting is a way of conveying a message.</p> <p>Be able to create collaged patterns within concentric circles.</p> <p>Be able to tell a story using textiles and collage.</p>	<p>Use wire to make 3D insects.</p> <p>Know relief work is a sculptural technique where parts of a sculpture remain attached to a surface Know sculptures can be any size and created with a wide range of materials.</p> <p>Know when displayed, sculptures are called an installation.</p> <p>Be able to produce relief work, placing objects into gesso.</p> <p>Be able to make an insect installation using wire to create structure and form.</p>
Year 4	<p>Printmaking and Textiles</p> <p>Create monoprint and press prints on fabric and make collages.</p> <p>Create repeated patterns by flipping and rotating images.</p> <p>Use tie dye, knotting and weaving techniques.</p> <p>Know Kente cloth is a woven fabric from West Africa.</p> <p>Know tie dye is a method used to create designs and colour.</p> <p>Know textile artists use a range of materials to create textured designs and images.</p> <p>Be able to create printing to represent Kente designs.</p> <p>Be able to use tie dye to create colour designs Be able to combine media to create texture.</p>	<p>3D and Collage</p> <p>Create wire structures, focusing on line and form.</p> <p>Combine 3D materials.</p> <p>Combine a range of techniques such as overlapping and layering.</p> <p>Know an illusion can suggest movement.</p> <p>Know proportion will make a figure seem realistic.</p> <p>Be able to assemble pieces of paper to create the illusion of movement.</p> <p>Be able to create figures that are in proportion and out of proportion.</p>
Year 5	<p>Textiles & Collage</p> <p>Create wall hangings using layered collage and weaving techniques.</p> <p>Use natural forms as a starting point for artwork.</p> <p>Know appliqué is a technique where fabric is stuck or sewn onto a larger piece to form a pattern or picture.</p> <p>Know textile comes from the Latin word, texere, meaning to braid, weave or construct.</p> <p>Be able to combine fabrics in a range of ways Weave, braid and construct art using natural objects.</p>	<p>3D</p> <p>Create slab and coil pots and learn techniques to join and seal clay sections.</p> <p>Create tissue paper bowls.</p> <p>Know an armature can be used to create a piece of 3D art.</p> <p>Know clay can be joined by a score and slip method.</p> <p>Be able to use armatures to produce 3D forms.</p> <p>Be able to join two or more pieces of clay.</p>
Year 6	<p>Printmaking and Textiles</p> <p>Use perspective drawings as a starting point for textiles work.</p> <p>Explore batik technique.</p> <p>Draw and paint on fabric surfaces.</p>	<p>3D</p> <p>Explore shape, form and colour and explore the effect of heat to create Chihuly-style 'glass' .</p> <p>Explore combining techniques to create sculptures using mixed-media including recycled materials.</p>

	<p>Know batik is a method of making marks on cloth using hot wax Know perspective is a technique that enables artists to create the illusion of depth to a painting or drawing.</p> <p>Be able to apply wax to the surface of fabric and dye it to create coloured designs.</p> <p>Be able to create a simple one-point perspective sketch.</p>	<p>Know a 2D object can change its form and shape to become 3D.</p> <p>Know asymmetrical means balance is created where there are elements of colour or shape on both sides that make each side equally important.</p> <p>Be able to use different media to create shapes and forms.</p> <p>Be able to match visual and tactile elements to their intentions to create visual balance.</p>
--	---	--

Core Content and Expectations: Block E and Block F

	Block E	Block F
Year 1	<p>3D</p> <p>Use natural and man-made materials.</p> <p>Create plaster casts from clay impressions.</p> <p>Know sculptures can be made out of many different materials.</p> <p>Know artists take inspiration from the work of others</p> <p>Be able to select materials based on their properties.</p> <p>Be able to take inspiration from the work of an artist</p>	<p>Collage</p> <p>Explore the visual and tactile qualities of objects Layer paper to build an image.</p> <p>Know collage can be used as a background Know paper can be torn or cut for effect.</p> <p>Be able to build up layers, using collage to create a background Be able to tear paper and use scissors to cut for precision.</p>
Year 2	<p>3D</p> <p>Take inspiration from the designs of indigenous art.</p> <p>Create 3D sculptures using paper and cardboard.</p> <p>Know sculptors make their ideas come to life by joining or molding materials together.</p> <p>Know sculptors sometimes first make small-scale models of their work called maquettes.</p> <p>Be able to join materials together to form a 3D work of art.</p> <p>Be able to make a small rough draft of a sculpture to explore ideas.</p>	<p>Creative Response – Drawing and Collage Combine drawing and collage to add detail and interest.</p> <p>Know there are a series of steps in the creative process.</p> <p>Be able to refer to previous knowledge and skills to make creative choices.</p> <p>Be able to apply and refine previously taught drawing and collage techniques.</p>
Year 3	<p>Painting</p> <p>Use a range of paint techniques to create backgrounds for effect.</p> <p>Know backgrounds can be painted for effect Know negative space is the area behind and around the main focus of the painting.</p> <p>Be able to use a range of techniques to create backgrounds for effect.</p> <p>Be able to paint backgrounds that create a negative space</p>	<p>Creative Response – Painting and Printmaking Combine painting and printmaking techniques.</p> <p>Know there are a series of steps in the creative process.</p> <p>Be able to use knowledge of techniques and skills to make creative choices using painting and printmaking.</p>
Year 4	<p>Painting</p> <p>Mix tints and tones to create an ombre effect with paint.</p>	<p>Creative Response – Drawing and Textiles Refine previously taught drawing and sewing techniques.</p>

	<p>Know painted images can be layered to create space.</p> <p>Know an ombre effect can be created with paint by changing the tint and tone.</p> <p>Be able to position images on a plane to create space.</p> <p>Be able to add grey to a colour to create a tonal change.</p> <p>Be able to add white to a colour to create tints.</p>	<p>Know there are a series of steps in the creative process.</p> <p>Know running stitches can be joined together to create a fern stitch.</p> <p>Be able to refer to previous knowledge and skills to make creative choices.</p> <p>Be able to apply and refine previously taught drawing and textile techniques.</p>
Year 5	<p>Painting</p> <p>Explore a range of effects which can be achieved using watercolour paint.</p> <p>Know different effects can be achieved with watercolour paint.</p> <p>Be able to select materials to create specific marks using watercolour paint.</p>	<p>Creative Response – Printmaking and Textiles Combine printmaking and textiles to embellish fabric.</p> <p>Know there are a series of steps in the creative process.</p> <p>Know mediums can be combined to create texture.</p> <p>Be able to refer to previous knowledge and skills to make creative choices.</p> <p>Be able to apply and refine printmaking and collage techniques.</p>
Year 6	<p>Painting</p> <p>Combine techniques to create the illusion of water and depth.</p> <p>Know depth can be created by layering effects one on top of the other.</p> <p>Be able to select and combine appropriate techniques to create the illusion of water and depth</p>	<p>Creative Response – Drawing and Textiles Combine drawing and batik to add detail.</p> <p>Know there are a series of steps in the creative process.</p> <p>Know mediums can be combined to create texture and detail.</p> <p>Be able to refer to previous knowledge and skills to make creative choices.</p> <p>Be able to apply and refine drawing and textile techniques.</p>
